TOWN HALL BY MAIL SURVEY RESULTS FOR FLORIDA'S 10TH CONGRESSIONAL DISTRICT

HON. C. W. BILL YOUNG

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, January 13, 2010

Mr. YOUNG of Florida. Madam Speaker, Our nation is faced with more major issues, and is more divided over how we should handle those issues, than at any time I have served in Congress.

These issues include matters of national security, financial security, economic security, and the future of our health care system. Last November, I asked residents of the 10th Congressional District I have the privilege to represent to share their thoughts with me on these and many other pressing issues. To date, more than 31,500 have responded to my survey which included 26 questions on a wide range of legislative matters. In addition, almost half of those who responded provided some very helpful additional comments about other matters of interest to them. In order to certify the accuracy of the results, I had an outside firm tabulate the surveys before returning them to me to review the comments.

Madam Speaker, following my remarks, I will include for the benefit of my colleagues the complete results of my Town Hall by Mail survey. As we return for the Second Session of this 111th Congress and begin debate on these many difficult issues, I think they will find these results of special interest.
